Our competitive rates means you fly more for less! Professional Pilot Program students can build time quicker with our Commercial Pilot Time building program! Ask us how. We also have financing options available with outside lenders. See our website for more details!**

* To qualify for a block rate simply deposit \$2000 minimum and maintain a \$500 balance in your account. Professional Pilot Program students can save even more with reduced block rate at \$149/hr if tuition is paid in full upfront with training contract. Otherwise, standard block rate or normal rate would apply to the Professional Pilot Program. **To qualify for the commercial time building program, both students must be enrolled in the Professional Pilot Course and satisfy the deposit and minimum balance in their account. *** All prices listed above are estimates only and do not reflect package prices or guaranteed hours. Pricing will vary based on student ability and can change without notice. Additional hours will be charged at block or normal rate depending on student account. Failed exams will require another exam fee paid directly to the testing center or examiner and additional aircraft time. No shows or cancellations inside of 24 hours will be charged at full aircraft and instructor rate.
